Description			The bases of worshipping the islam are the foundation of the islam jurisprudence and the introduction in its philosophy. In this subject the students will have the opportunity to study a great part of the chapters of worshipping in a general way and not profounded. The aim of the subject "bases of islam worshipping" as we can understand from the tittle, is to give to the student the general knowledge about the worship of islam faith. This will give to the student the preliminary information of the logic of islam jurisprudence, that will be treated in another term. The successful students in this subject will be acquainted with the ways of worshipping and performing them correctly.				
Objectives			The purpose of this subject is to supply the students with fundamental knowledge of worshipping the Islam and somehow the details in practising them. Also it is aimed the formation of of a general idea about the philosophy of Islam jurisprudence through the above mentioned practises.
