<b>Description</b>			News Reporting and Writing I, is a skills-based immersion into journalism. Students will learn the foundations of journalism and the craft's two main components - reporting and writing of the news - and will explore how news is delivered through mobile devices, TV, radio, Web and printed publications				
<b>Objectives</b>			This course aims to expose you to basic journalistic principles, and to build fundamental reporting and writing skills. These goals are pursued in lectures, assignments, and reporting exercises that echo the situations professional journalists face. By the end of the course, you can expect to have a good grasp of the fundamental issues and methods of gathering news & writing news stories. You will also have the opportunity to improve your Albanian-language writing skills, in order to convey facts in straightforward and understandable fashion
