

Course Name : Campaign Conceptualizing and Management							
Course Code	Course Type	Regular Semester	Lecture (hours/week)	Seminar (hours/week)	Lab. (hours/week)	Credits	ECTS
COM 523	B	Fall	3.00	0.00	0.00	3.00	6.00
Lecturer		Edlira Mali, MSc					
Assistant							
Course language		Albanian					
Course level		Master					
Description		The course aims to give detailed knowledge of the organization and management of campaigns. Work and learning process in this course will proceed as an exchange of experiences between lecturer and students. A particular importance will be given to projects that students will work individually or in groups. Course participants will build their individual portfolios of campaign components, such as statements of the candidate, as well as contribute to inter-jurisdictional differences in comparative way to the project management of the electoral campaign.					
Objectives		- Development and understanding of a proper division of labor between the candidate and the manager - Consedering voter data, develop a commitment to support the media campaign. - Using voter data to develop an appropriate budget (low cost) for the campaign, including realistic plans for fundraising. - Composing a plan for maximum utilization of volunteers. - Creation of a comparative analysis in order to run election campaigns in various local jurisdictions (in a variety of places depending on participants)
