Course Outcome	
1	- Providing students with the nature of German as a foreign language for them. - Knowledge and practice of the four German language skills, so that students know how to respond correctly to different situations. - Introducing different topics in daily life, starting from a lexicon of the most necessary and practical needs.
2	1. Communication and Expression Competence - Identifies the main characters of a story, drama, film, song, etc. and plays the role of one of the characters with one of the students. It expresses the experiences that accompanied it while watching and listening to a film, documentary, exhibition, dramatization, recitation in one of the expressive forms (written, mimicry, etc.).
3	2. Thinking competencies - Expresses the pros and cons of an opinion, attitude, behavior manifested by one or more persons and facing a life situation.
4	3. Learning Competence - Collects and classifies its own performance materials for the preparation or enrichment of a personal portfolio. Identifies and compares information known for a given topic, issue or event from daily life using different techniques.
5	4. Civic Competence - Expresses, listens to, and respects each student's opinion and decides on ways to complete the joint activity
6	5. Digital Competence - Uses digital technology to find the information needed
7	6. Competence of the Hearing - Displays appropriate behavior during the hearing such as: Follows carefully the text you hear. Expresses the liking and interest of what you hear by responding
8	Competence in Fair Use of Language - Students at the end of this level may understand disconnected sentences and frequently used expressions in areas of immediate priority.
