Assistant							
Course language English							
Course level Bachelor							
Description The language is a core element of our life. It helps to make possible the communication in our life and at the same time, it shapes our structures of thinking and the way we communicate our thoughts. This is why the better we use the language, the better we get to know ourselves and present our personality to the society. This course aims to give to the students general and special skills in using the albanian language; by improving their skills in writing of the albanian language and by developing their speaking abilities in discourses and different discussions.							
Objectives <ul style="list-style-type: none"> • To present the students with the basic rules of the art of writing. • To learn the basic issues of the morphological and syntactic regulations. • To make the students achieve better acts of communication through the normative discourse. • To create their papers, writings, studies, diploma etc. through a specialised and normative language. • To encourage the critical approach on the language matters and on the correction in the cases when the albanian language is not used correctly.
